

**ECO-KING**

**King Heating Products Inc. presents:**

# **THE ECO KING Storage Tank**

The Eco-King storage tank is made of 316L stainless steel. Eco King storage tanks continue the Eco King tradition of quality construction, convenience, inspection hatch and thick insulation.

Use these tanks to store any external source of heated water with almost zero heat loss!

▶ **Attractive Design**

Green zipper jacket provides an attractive appearance and can be changed on order for other colours.

▶ **316L stainless steel tank**

▶ **Simple installation and cleaning**

All tapings on one side of the tank ensures easy installation. The 5" front inspection hatch can easily be removed making inspection & cleaning simple.

▶ **Limited Lifetime Warranty**

▶ **Variety of sizes and models**

Sizes ranging from 32 to 132 usg.

▶ **Levelling Legs Included**
